

# How can you help?

*Proudly supporting the local community since 1985*

**We are partnering up with your School/Academy to ensure we get the uniform to all pupils**

Please **DO NOT** throw away your child's old school uniform. When you next pop into smart school uniform in Newcastle or our Tunstall store please drop off your old, good quality uniform at our collection point (please ensure it is washed before). These items will be stored in a dedicated area for distribution when required.

**We need your child's old school uniform**

We call on all our wonderful customers to help us with this very important initiative: To ensure no child is without the right uniform for school

if you have any questions, please email: [shop@smartuniform.co.uk](mailto:shop@smartuniform.co.uk)
