

Dear Students and Parents of our new Year 7,

Over the last few weeks, I've had the pleasure of visiting most of you in your Primary Schools to introduce myself and welcome you to The Orme Academy. For those I haven't met, I will be your Head of Year when you join The Orme Academy in September 2021. My name is Mr Charlesworth, and I am excited to support you all on your journey over the next 5 years.

When you join the Academy in September, I will be embarking on my 8th year here and my 5th year as a Head of Year. I will be responsible for your overall progress from Y7-Y11, ensuring that I get to know each one of you and put the foundations in place that will empower you all for life. As you would expect, I have high standards of how you should act, both in lesson and around the school with a focus on respect for your teachers and your peers which allows for positive relationships to develop and to create the very best version of yourselves. On Monday 12th July you will receive a welcome virtual postcard from your form tutor.

Enjoy your last week in Year 6, and I look forward to seeing you all in September.
