

Hello Year 6,

I would like to introduce myself as your new form tutor when you join The Orme Academy in September 2021. My name is Mrs Barker, and I am extremely excited to welcome and support you on your journey over the next 5 years.

When you join the Academy in September, I will be embarking on my 11<sup>th</sup> year as a teacher of Art & Design. I enjoy allowing my students to be creative with their art and express themselves in their learning.

I will be responsible for supporting you over the next 5 years, encouraging you to achieve your full potential, but also being there for you if times get tough. As a form tutor, I have very high standards and expectations of how students should act, both in lessons and around the school in general. My key ethos is about building relationships with your peers, and I strongly believe you should treat others as you would want to be treated yourselves. I want to ensure that the work we put in together, will empower you all for life when you leave The Orme Academy in 2026.

Enjoy your last week in Year 6, and I look forward to seeing you all in September.

*Mrs K Barker (7KBA)*
