

Dear Students and Parents of our new Year 7,

My name is Mr Jackson and I am really looking forward to welcoming you to The Orme Academy. From September I will be your form tutor right the way throughout your school life until you leave us in Y11. As your form tutor, it will be my job to ensure that you settle in well in the first few weeks of secondary school and that you continue successfully on this exciting journey.

We have incredibly high standards at The Orme Academy and my job as your form tutor will be to ensure that you consistently strive to meet these high expectations in everything that you do. Just as I am incredibly proud to teach at The Orme Academy, I want you to be proud of everything that you do during your time with us. I will support you so that you have high aspirations for yourself and I will ensure that you challenge yourself in your learning and life, but most importantly, I want to make sure that you enjoy every moment of your time at The Orme Academy. Together in our new form, we will do this.

Enjoy your last few days in Year 6, and I look forward to seeing you all in September.

*Mr M Jackson (7MJA)*
