

Dear Students and Parents of our new Year 7,

I would like to introduce myself as your new form tutor when you join The Orme Academy this September. My name is Ms Lin, and I am really looking forward to having you in my form.

Let me introduce a bit about myself. I originally come from Taiwan and have been teaching for 10 years at The Orme Academy! I love to build a positive working relationship with my form and students as well as looking after your pastoral and wellbeing and being available when you need to speak to me. I have extremely high standards on respect and effort and will expect that you follow the example that I lead on in the Academy.

I will support, guide, help and push you to achieve the best you can and empower you for life. I teach Maths which I am extremely passionate about, and I am creative and engaging in the way that I teach.

I hope you enjoy the end of your time in Year 6, and I look forward to creating good and fun memories with you during the next milestone of your life.

*Ms Y Lin (7YLI)*
